Jury Proposal for the Candidacy Exam

Admission to the PhD preparation

Save Preview jury proposal Preview research plan cover

Important message

This step is meant to help you generate 2 documents:

- your candidacy exam jury proposal and the statement of results
- your research plan cover page

For more details, please refer to your doctoral program's instructions. This step will remain available and corrections can be made at a later stage. All fields with one star * are mandatory to generate the jury proposal. All fields with two stars ** are mandatory to generate the research plan cover page. When you have entered all the mandatory fields for the documents, please click on "Save". Then you will see the buttons to generate the jury proposal and the cover of the research plan.

Data modification after documents generation : any change should be transferred to this portal by yourself. Your program administrator should be informed as soon as possible by email.

Thesis title and abstract

Please use ordinary characters only (no scientific formulae nor specific formatting (italic, bold)).

Draft thesis title (using ordinary characters only)*/**

3499 characters maximum.
